

# Assignments for 2026

## Digital Night

January	Negative Space	
February	“Bad” weather	Rain, clouds, typhoon, whatever
March	City Scene	Conveys the “feel of the city”
April	Dappled Light	
May	Something That is Fun	Someone having fun or an image that is fun to view
June	No Digital Night in June - Year End Awards and Party on June 8	
July	Wildflowers	Not from a garden
August	Curves	
September	The Color Blue	
October	Close Up	Doesn't have to be a macro image
November	Transportation	The conveyance, with or without people
December	No Digital or Print Night in December - Holiday Party on December 14	

## Print Night

January	Architecture	Human-designed and built structures (whole structure or details)
February	Stripes	Could be human-created, part of nature, a trick of the light, etc.
March	Winter	Images that communicate things we associate with winter
April	Found in my Backyard	An object or scene seen from the comfort of your own backyard or someplace adjacent to your home.
May	Spring Flowers	Groups of flowers or individuals
June	Tree or Trees	A single tree or a group of trees – wide-angle or close-up
July	From the Window Seat	Something seen from inside a vehicle while traveling. Could be a bus, a train, a car, or an airplane
August	Leading Lines	An image with a strong leading line that points to an important element
September	Fairs, Festivals, or Rodeos	A scene, an activity, or a detail.
October	Double or Multiple Exposure	Two or more images combined to create something artistic. This can have been done either in-camera or via post-processing. Note: many phone cameras and photo apps have this capability.
November	Autumn Color	
December	No Digital or Print Night in December - Holiday Party on December 14
