Message from the President

Hi all,

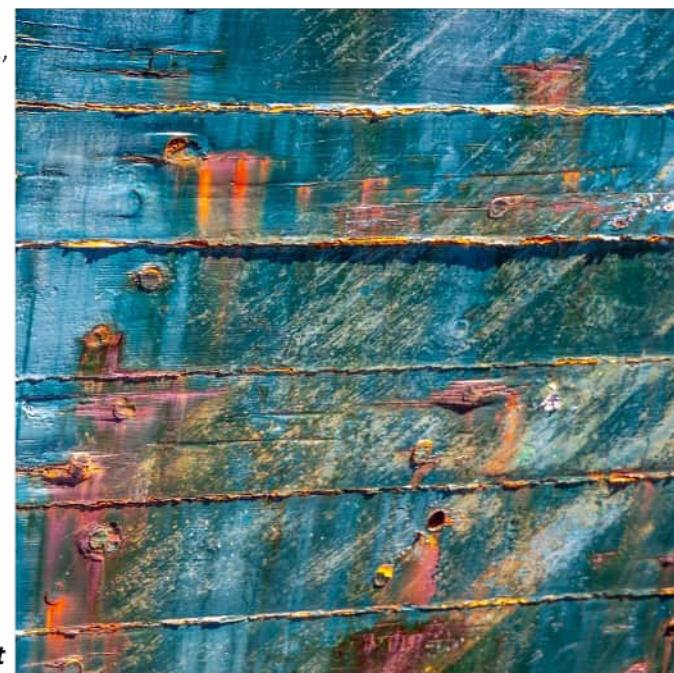

It's time to decide on your year end competition entries. They will need to be entered by the end of April. You can enter any digital or print image that was entered in club competitions from May, 2025 through April, 2026 with some exceptions. Entries in the Photojournalism and Creative competitions do not need to have been entered in a club competition. Any entries in the Photojournalism category must have been taken in the past club year. Definitions and rules for the various year end categories are on the website under Competitions/Competition Types. More information about the Year End Competition and events can be found [here](#).

Note- there is a new competition category this year for monochrome prints. You can enter up to three monochrome images in this category. They do not need to have been entered in any of our monthly competitions. As with other competition categories, monochrome prints may not be entered in more than one competition.

All Year End entries are due by April 30, 2026. If you are entering prints, you may bring to Print Night on April 27, 2026 and give them to Henry then. If you can't bring them on the 27th, contact Henry directly to arrange to deliver them to him. henry@heerschap.com

If you are interested in entering the Edmonds Arts Festival which is held over Father's Day weekend, entries are due by May 1, 2026. For more information the link is [here](#).

Happy April everyone!
Chris Currie
