## Message from the President

Hi members,

Spring has definitely arrived! That means it's time to decide on your year end competition entries. They will need to be entered by the end of April. You can enter any digital or print image that was entered in club competitions from May, 2024 through April, 2025. Entries in the Photojournalism and Creative competitions do not need to have been entered in a club competition. Any entries in the Photojournalism category must have been taken in the past club year. Definitions and rules for the various year end categories are on the website under Competitions/ Competition Types.

More information about the Year End Competition and events can be found at <https://www.pugetsoundcamera.com/d/e6b170bc-22f4-4836-8471-f1ce7c5c0f42>
