Message from the President

Hi all,

I hope everyone had a ghoulish Halloween! With all the decorations out there I hope to see a few Halloween images in the near future. There should be a few nice days in November to get out and photograph the changing seasons. There will undoubtedly be some storms and wind and rain for great water images. King Tides this winter will be November 7-9, December 6-8, and January 4-6, all fairly early in the mornings. If you go out shooting on these days don't turn your back on the waves!

There are a variety of field trips posted on the Calendar with more to come. Please sign up for them on the website calendar. It's easiest to find them if you set the calendar to Agenda. Some of the field trips are on the weekend so those of you who are working can take advantage of them. Thanks to Luke Angelis for suggesting several of them. If anyone else has suggestions, please let me or Lauren know. (Lauren@heerschap.com)

I hope everyone has a wonderful Thanksgiving.

Chris Currie
PSCC President
