## Message from the President

Dear Members,

Our exhibit at the Frances Anderson Center is up! If you have time, stop by the center to take a look at it before August 30 when it will come down. There are a total of 28 prints from 15 club members on display. They represent the wide variety of subjects and types of photography our members create. Be sure to tell your friends and families to go see the exhibit too! It's to the right after you go through main entrance of the Center. We'll be hosting a reception on Thursday, August 21, for Art Walk Edmonds.

Our Ice Cream Social is coming up on August 11, Digital Night, at 6:30 pm. I've already heard from a number of members who are planning on coming and getting their ice cream bars (and maybe an extra if they're lucky), and socializing with other members. Don't miss out on this annual event!

Our Palouse night shoot field trip is even more popular than last year! There are eighteen members who are planning to go this year. If there are other field trips you'd like to see the club sponsor, let Lauren Heerschap know

Enjoy August! Start thinking about your entries for the Northwest Council competitions in November. There will be more information on it in the next couple of months.

Chris Currie  
PSCC President
