

<b>Digital Assignments 2020</b>		
January	Reflections	An image where the subject is viewed on a reflective surface.
February	Up Close, Very Close	A macro photography assignment where the object photographed is greater than life size
March	Anything with Wheels	An image of anything with a least one functional wheel.
April	Street Photography	From Wikipedia, "Street photography, also sometimes called candid photography, is photography conducted for art or enquiry that features unmediated chance encounters and random incidents within public places."
May	Trees, Glorious Trees	One or more trees as the subject of the image.
June	Under Construction	An image of something being built or assembled.
July	Sports Photography	An image of participation in an organized sports event be it professional or recreational.
August	Summer Night Lights	A summer outdoor image captured at night between dusk and dawn.
September	Panoramas	From Wikipedia, "An image showing a field of view approximating, or greater than that of the human eye". Note: the image width should not be more than four times the image height in order to be viewable on our 16x10 aspect ratio LCD projector.
October	Interior Space	An image of an enclosed indoor room or public space.
November	Forgotten Objects	Abandoned or forgotten objects not being used.
December	No Assignment (holiday party)
